## Technic Engineered Powders Appoints Melissa Lavallee Environmental, Health and Safety Coordinator

Woonsocket, Rhode Island, USA - Technic Engineered Powders Division is pleased to announce the appointment of Melissa Lavallee as Environmental, Health and Safety Coordinator. Her responsibilities include environmental regulatory compliance and workplace safety for Technic's Woonsocket, RI facilities.

Melissa has worked for Technic Engineered Powders Division since 2014 as a Chemistry Laboratory Technician and an ISO 9001 auditor. Her past experience includes working as a Regulatory Compliance Associate/Safety Officer in the pharmaceutical industry and as a Quality Assurance Auditor for a custom manufacturer.

Melissa holds Industrial Hygiene, Safety, and Environmental Certifications as well as an IASSC Certified Lean Six Sigma Green Belt™ (ICGB™).

*Melissa Lavallee – Environmental,  
Health and Safety Coordinator,  
Technic Woonsocket RI  
Operations*

“Since joining Technic in 2014, Melissa has proven herself to be a valuable and highly competent part of our Engineered Powers team. We are pleased to offer Melissa our congratulations and support as she begins her new role as Environmental, Health and Safety Coordinator for our Woonsocket operations.”

*Gary Hemphill - General Manager, Vice President*

### **About Technic**

Technic Inc. is a Rhode Island based corporation with over 950 employees worldwide. For 75 years, Technic has been a global supplier of specialty chemicals, custom finishing equipment, engineered powders, and analytical control systems to the electronic component, printed circuit board, semiconductor, industrial finishing and decorative industries. Technic is also a major supplier of engineered metal powders to the solar industry.
